YOU CAN SAVE MONEY

With the VARI-TYPER, type-setting is eliminated. You save on composition, on labor, on production costs of bulletins, catalogs, folders, house magazines, price lists and all kinds of forms—even on postage because your "word picture" can be condensed.

Thousands of organizations are using the Vari-Typer daily. Many enthusiastically report thousands of dollars in savings. Manufacturers, retailers, service organizations, all types of institutions and many departments of the government save money without sacrificing quality in stencil duplication and offset reproduction.

You can join this march of progress toward new effects at new low costs with the VARI-TYPER. Read what users say. Think in terms of your own problems . . . and send for the portfolio offered you FREE in this folder.

CELLULOID CORPORATION SAVED THOUSANDS OF DOLLARS . . .

"In actual dollars and cents saving we have paid for our Vari-Typer many times over and are now producing almost 100% of our inter-company forms on it.

"It is also of great value in production of Sales Manuals. Savings are 40% on this item alone."

OREGON MUTUAL LIFE SAVES 33 1/3% ON RATE BOOKS . . .

"In preparing material for both offset printing and multilithing of two new rate books, we saved the entire purchase price of our Vari-Typer within three months."

CITY OF SCHENECTADY REPORTS BIG SAVINGS . . .

"VARI-TYPER is a real friend of the tax-payer! On forms and reports done the Vari-Typer way we have saved at least 50%."

YOU CAN IMPROVE APPEARANCE

Why should your bulletins or booklets, forms or folders, which you have been processing by stencil or offset, be typed in one ordinary type face? Vari-Typer gives you the use of 300 Type Fonts, instantly changeable..at the disposal of **YOUR TYPIST!**

No longer do you have to use *ordinary* typing for reproduction. Yet Vari-Typer has the same keyboard and many general characteristics of the standard typewriter. But, it provides that "change of face" so essential to improved appearance and emphasis.

Operator changes from one type to another...in a few seconds...to bold face, italics, small or large size types, languages, etc. You can change spacing between lines and between characters by simply moving a small lever. Send for portfolio and see how **YOU** can improve the appearance of your processed work.
